## Strategic Partnership Proposal · One page

Ron Kruck · April 24, 2026

**Type:** Proposal summary

**Status:** Non-binding until signed definitive agreements

**By:** PicksDb LLC

**Non-binding. Counsel papers everything.**

Dilution over time is normal (financings, hires, new securities). Ron's stake: fully diluted basis in final docs.

### Upfront deal

- **10% equity.** Baseline ownership. Class, vesting, and docs with counsel.
- **Up to 15% total.** Extra 5% only on written milestones: (A) agreed investor/partner closings, and/or (B) RON promo performance vs the measurement rules in the next section—same 5% pool, schedule fixed in definitive agreement.
- **10% company revenue.** Definition, exclusions, payment cadence—in definitive agreement.
- **10% exit / IPO (baseline).** Scales with vested % if Ron earns above 10%—unless docs say otherwise.
- **Vesting.** 10%: 4 years, 12-month cliff, then monthly. Extra 5%: milestone vesting only.
- **Stock & voting.** LLC now; corporation later—rights track equity %; counsel defines each stage.

### How we measure the extra 5% (promo + net revenue)

- **Cohort.** Users and revenue attributed to RON / RONKRUCK—tracked in product and admin.
- **Net revenue tie.** Milestones use PicksDb net revenue tied to that cohort, measured monthly (what counts as “net” and exclusions—counsel).
- **Growth metrics.** Written thresholds: signups, active users, retention, month-over-month growth—combined with net-revenue targets in a milestone table.
- **Monthly close.** Each calendar month: reported cohort net revenue + metrics vs plan.
- **Milestone vesting.** Hitting defined monthly (or stacked) targets unlocks scheduled vesting of the 5% tranche—no vest without hitting written gates.
- **Bonuses.** Months that beat plan on net revenue and user/retention/growth unlock bonus economics (e.g., cash bonus and/or accelerated vesting)—amounts and caps in definitive agreement.

### Other (counsel)

- **Welcome coins.** Illustrative only (e.g. up to 2,500 coins on RON signup)—negotiable; not final until signed.
- **Fees.** Platform fee schedule per separate PicksDb materials unless changed in writing.

**Next: term sheet, then definitive agreements.**

### Acknowledgment (non-binding)

Receipt only.
